A VISIT WITH THE QUEEN

BY WALTER HURSTON

The Queen of England was visiting her cousin in her home in the country. The two cousins had not seen each other for many years, and they were both very happy to see each other again. The Queen was dressed in a beautiful gown, and she looked very regal. She greeted her cousin warmly and they talked for a long time. The cousin was a simple woman, and she was very impressed by the Queen's majesty. The Queen asked her cousin about her life, and she told her many interesting stories. The Queen also gave her cousin a gift, a beautiful necklace. The cousin was very grateful and thanked the Queen. They both enjoyed each other's company and had a wonderful time together.

Chapter XV.

The Football Match.

The day was fine, the air was fresh, and the crowd of spectators was immense. The two teams, composed of the students of the two rival colleges, were arrayed in their respective uniforms, and the game was about to begin. The umpire, a respected citizen of the town, took his position in the center, and the whistle blew for the players to begin.

The game was a hard-fought contest, with both teams displaying great skill and determination. The audience was on the edge of their seats, cheering and shouting encouragement to their favorite teams. The score was close, and the match lasted for several hours. In the end, the team from the college on the left won by a narrow margin, causing great rejoicing among their supporters.

The next day, the newspapers carried detailed accounts of the match, and the rivalry between the two colleges continued for many years, becoming a hallmark of their town.

WIFE AND WIDOW.

The Bride of the Alps.

By LUCY RANDALL COMFORT.

Introduction. The story of "The Bride of the Alps" is set in the picturesque mountains of Switzerland. The novel follows the life of a young widow, who, after the death of her husband, is forced to make a difficult choice between poverty and survival.

Chapter I. The young widow, Emma, is a woman of great courage and determination. She is faced with the daunting task of raising her three young children on her own, with no support from her family or friends. Emma decides to take matters into her own hands and sets out to make a life for herself in the mountains.

Chapter II. Emma finds work as a guide for tourists, leading them through the beautiful and rugged terrain of the Alps. Her skills as a guide are quickly recognized, and she becomes one of the most popular guides in the region.

Chapter III. Emma's success as a guide brings her a degree of financial security, but it also brings her into contact with the wealthy and powerful. She is caught in a web of intrigue and danger, as she becomes embroiled in a love triangle with a wealthy businessman and a heroic mountain guide.

Chapter IV. After a series of thrilling adventures, Emma finally finds her happiness with the mountain guide. They are married in a beautiful ceremony in the mountains, surrounded by friends and family.

The novel ends with Emma and her husband leading a happy and fulfilling life together, surrounded by the beauty of the Alps.

CHAP. XI.

When Buffalo Bill and some of the other men from the company arrived at the camp, they found the Sioux Indians surrounding them. The Sioux were very friendly and showed the visitors around the camp. They explained about their way of life and how they lived in harmony with nature. The visitors were impressed by their knowledge of the land and their appreciation for the animals.

CHAP. XII.

When Buffalo Bill and the others returned to the company, they were greeted by their fellow performers. They told them about their experiences at the camp and how much they had learned from the Sioux. The company decided to perform a show that would feature the Sioux and their way of life. They worked hard to make sure the show was authentic and would accurately represent the Sioux culture.

CHAP. XIII.

When Buffalo Bill and the others arrived at the theater, they were amazed by the crowd that had gathered to see their show. The performance was a huge success and the audience was captivated by the Sioux's stories and the beauty of their culture. The company continued to perform the show for several weeks, and it was a great success. The Sioux were thrilled to see their culture shared with others and the company was proud to have represented them so well.
